Science visitor

We were very excited to welcome Alan Ames - Birdman into school this week so that we could learn all about his birds of prey. The children throughout the school really enjoyed this special experience.

Alan visited Nursery and the children there met a barn owl, just like in their recent story Owl Babies.

The children in school all got to meet Alan and his birds to enrich their science learning. Alan showed us how the birds' bodies help them to fly and we found out many interesting facts to increase our science knowledge of animals, life-cycles and adaptataion.

Some of our older children were able to meet the birds up close and have already asked if Alan can visit school again soon!

Special visitors come to Rivington!

We were extremely lucky to be visited by three Tongan Rugby players this week. They spent time with our Y3 and Y4 children, teaching them some Rugby skills. The children absolutely loved this experience and we wish the players lots of luck in their next match at the weekend!

A parent of a child from Keisha's class sadly passed away about 6 weeks ago, at the young age of 43. The parent was a lovely lady, had time for everyone and always had a beautiful smile on her face. Her chosen charity was the NSPCC and Keisha really wanted to do something to raise money in her memory, so has decided she will cut off her hair 🙏 and donate it to the LITTLE PRINCESS TRUST 💕 all 16 INCHES of it.

Keisha would love it if you could donate via the link below 🙏

Letter to parents and guardians from Merseyside Police re. Halloween and Bonfire Night

We are writing to all parents and guardians to ask for your help over the upcoming Halloween and Bonfire Night period.

We want everyone to have fun and we'll be working hard to keep you safe, but we need your help:

Know where your children are

- Encourage kids to go to local events that are being organised, or try a spooky film together
- If your children are going out (particularly on the 30th and 31st of October), make sure you know where they're going. If possible, drop them off and pick them up
- Don't let your children hang around the street
- If they're going somewhere local – walk there with them
- Have an agreed time when they need to be home
- Don't buy fireworks or eggs and flour for them, and don't let them take it out of the house

Know the risks

- Throwing things at cars, buses, shops and houses can hurt people – drivers might swerve if they get distracted and cause a crash, or someone might get hurt by broken glass (and scratched paintwork can be very expensive to fix)
- Getting into trouble with the police can lead to a criminal record, which means not being able to go on holiday to countries like the USA, and not being able to do certain jobs
- Messing around with fireworks is dangerous – some burn as hot as 1,200 degrees - hot enough to melt glass and cause serious or fatal injuries

Know the law

If a young person under the age of 16 commits any of the offences below, the parent/guardian will have to pay the fine.

- A person under the age of 16 can be arrested and fined if found with an unlit firework
- A person under the age of 16 can also be arrested and fined if they throw or light a firework or make a bonfire
- A person under the age of 16 can be arrested and fined for throwing things like eggs, flour, paint or other objects at people, vehicles or property

Thank you for your help and support. By working together, we can keep your children safe this Halloween and Bonfire Night.

Merseyside Police
