What a fabulous week!

There has been a real buzz around school this week as the children become more settled in their new classes and get stuck into their learning. We know that some children may have found the transitions to new year groups a bit overwhelming but I can assure you that when I pop into classes, all of the children are happy and keen to learn. They are also following the 'Rivington Way'. We have seen a dramatic reduction in behaviour related incidents compared to last year. Meaning that Rivington is a happier, calmer and safer environment for everyone!

During hometime next week, please look out for our Head/Deputy Head boys and girls, as they will be on the playground collecting your views about our new school uniform for September 2024!

Have a great weekend everyone – I wonder if we can get any class to have 100% attendance next week?
