## YEAR 6

Year 6 enjoyed a fantastic opportunity to work with Wired Aerial Theatre on the five ways to improve wellbeing. We also visited the town hall to watch them perform.

The children had a great day and learned lots of strategies to improve mood and wellbeing by being active, noticing others, learning, giving compliments and connecting with each other.

## YEAR 4

This week Year 4 were invited to St Andrew's church to learn about Harvest. The children were treated to some lovely workshops focusing on how Christian and Jewish people use this time of year to give thanks to God and to help support those in need.

Here you can see the children sitting under a Jewish Sukka Hut. They were asked to think carefully about the things they were thankful for in their own lives.
