Y5 STEM DAY

On Tuesday, Year 5 took part in the 'RAF Road to RIAT Challenge' virtual STEM day, hosted live by The Smallpeice Trust. They started the day by finding out what the role of an engineer involves. They then designed, made and tested their own rockets. In the afternoon they learned about sustainability and started work on their competition entries to design a sustainable aircraft. It was a great learning experience for the children and the adults, with lots of fantastic teamwork on display.

Children in Need Day 2023

We have had a wonderful day supporting Children in Need Day! Thank you for helping us to raise £137.05 for this amazing charity!

We will remember them!

Year 6 visited St Andrew's Church for a Remembrance Event. They enjoyed the opportunity to learn about Remembrance Day and create prayers and poems of their own. The children were very respectful and represented their school well. They were an absolute credit to their families.

Weekly Attendance Awards Week commencing 13th November 2023

Reception	91%
Y1	98.7%
Y2	92.7%

Y3	96.7%
Y4	96.3%
