Happy New Year!

Welcome back and happy new year to you all! 2024 has started very positively at Rivington and the children have been working hard already. During the Spring term, we have lots of exciting things planned for the children including a whole school Drumba event on 31st January. We hope that you will continue to support your children at home with their learning, especially by encouraging them to read frequently. Please remember to speak to any staff member if you require support of any kind.

RECEPTION START FOREST SCHOOL

Some of the Reception children visited forest school for the first time this week. They explored the woods and were super at spotting the dangers. Now they know how to keep safe next time. After a busy afternoon exploring they had a warm drink and snack around the fire pit.
