

A place where everyone matters!

Welcome back!

I hope you have all had a great Easter break. The summer term has started well and the children have quickly settled back into school. Thank you for ensuring your children are in school every day and on time – we have seen a significant reduction in lateness this week.

I hope that you have all had the opportunity to read our wonderful Ofsted report. I am sure you will agree that it is a real celebration of the great work that goes on at Rivington. I have selected a few statements from the report that I really think are worth celebrating!

The programme for pupils' personal development is exemplary.

The school's 'Rivington Way' helps everyone to understand what is expected of them.

The school has carefully organised the curriculum so that it is aspirational and ambitious.

Pupils benefit from a wealth of remarkably considered experiences that help to prepare them exceptionally well for life in modern Britain.

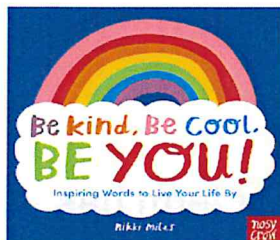

We are now committed to continuing to work hard and improve our school even further! Thank you for your support and dedication to our school. We are proud of the positive relationships we have with our families.
