The Royal Navy comes to Rivington!

On Thursday, Y6 were lucky enough to have a visit from members of The Royal Navy. It was an exciting day and we learned about the history and the different roles within the Navy. The children took part in fitness and team building exercises. They even had the opportunity to make and launch their own rockets. A very inspiring visit for all.

Visitors in Nursery!

On Wednesday, we had a special visit that brought a lot of joy and excitement to our nursery. Rupert, Ginger and Bunny, the adorable puppies, paid us a visit along with Mrs. Smith's lovely daughters, Alice and Isobel.

The children were thrilled to meet the puppies and had a fantastic time interacting with them. They didn't hold back with their questions, especially about how to take care of the puppies. It was heartwarming to see how much they enjoyed this experience and the valuable learning opportunities it provided.

Reception trip to the park

Yesterday afternoon, Reception class walked to Victoria Park in the glorious sunshine. Whilst there, we went on a scavenger hunt around the park to collect some items that would help us to invent some magnificent stories. We found a character, a setting, a problem and a solution, then we gathered together under the bandstand to share our stories; from mermaids with broken crowns, magic oil lamps being used to change characters into new things, fierce lions who wished to fly and so much more. Reception have the best imaginations! The children then had a well deserved play on the park.
